

A-MAP is a 10 year old trading company specializing in the distribution of Aftermarket Automotive Spare Parts, Automotive Batteries, Tires, and Lubricants. Headquartered in the 'bustling trading hub' of Dubai - UAE, A-MAP operates a network of branch offices in China, South Africa and USA.

With world leading brand names associated within the distribution range, A-MAP has been able to consolidate a client network over five continents successfully. We aspire to achieve the most consistent level of supply chain management system, hence resulting in ultimate client satisfaction.

In early 60s, our Chairman, Mr Sabir Badami established his first trading company in Pakistan dealing in general items, auto parts, and various kinds of tyres. Initially Firestone and Sumitomo tyres were traded and distributed all across Pakistan. His hard work resulted in getting regional agencies for these famous brands until by 1980 when the Mr. Sabir Badami decided to leave Pakistan move to UAE for better growth and other beneficial reasons.

In 1980, Al Muqarram Trading was established in the main business district of Dubai for trading various commodities like grains, foods, automotive parts, and other building materials. The business domain quickly spread to GCC and some part of Africa where AL Muqarram established its name and country distributors and established JV companies.

Year 2001 brought another milestone for Al Muqarram when Mr. Asad Badami, son of Mr. Sabir Badami established Al Muqarram Auto Spare parts Trading LLC, in the regional trading hub of Deira Dubai, for a wide range of automotive products sourcing from various countries and distributing in Middle East North Africa region, South Asia and CIS/Eastern Europe Countries.
